Miller reported the EDA will be picking up the commuter bus on Wednesday. The EDA will be doing the hiring of part-time drivers for the bus service. Miller also noted he had talked to Maintenance Worker Nick Sweeney about possibly being a backup driver for the service. He would only drive in emergency situations when no other driver was available for a route. Council did not see an issue with this as long as it doesn't affect his regular work.

Being no further business to come before this meeting, the meeting was adjourned on a motion by Miller, second by Whisler at 7:30 PM.
